

Hello students,

My name is Jen Harrington, and I am the Director of the Certified Nursing Assistant (CNA) program at Utah Tech University (UTU). Attending university is an exciting time, and the possibilities are limitless! I believe our CNA course will be a great benefit to you, whether you are pursuing a career in nursing or other health care related profession. Once you decide to take the CNA program at UTU, you can rest assured that you will receive a quality educational experience that will prepare you for the pathway ahead. UTU's CNA program is the best in Utah. Here are some highlights:

- Dedicated and caring classroom & clinical instructors
- 84.21% overall pass rate (knowledge & skill exams)
- 4 college credits earned upon successful completion
- Hands-on skills instruction in lab setting
- Clinical rotations at Assisted Living and Long-Term Care facilities within surrounding community
- Open to *all* students - traditional, non-traditional, concurrent enrollment, and international students
- Locations in St George, Hurricane, Hildale, *Kanab, *Panguitch, and *Bryce Valley
 - *Hybrid delivery for branch locations

Please [click this link](#) to access the required immunizations, and to see the full list of requirements for this course.

Thank you for taking the time to find out about the CNA program at UTU. We are happy to answer any questions you have. Please email us cna@utahtech.edu

Sincerely,

A handwritten signature in black ink that reads 'Jennifer Harrington'.
